Each Dwelling shall be provided with smoke detectors as stipulated in the ordinances and/or building codes adopted by the City of San Antonio at the time the Dwelling is being constructed. ARTICLE XXXI. GUTTERING

All Dwellings must be guttered, in a manner approved in advance and in writing by the ACC, with downspouts being so situated as to minimize adverse drainage consequences for adjoining Lots.

prevent the unnecessary damage or death to existing trees, the Declarants, Lot Owner, his/her architect, and/or builder will be required to comply with the tree care and protection rules that may be promulgated from time to time by the Association or the ACC. The Declarants will not engage in mass clearing of trees on Lots, unless required for (1) compliance with the plat of the Subdivision, (2) compliance with drainage requirements, (3) compliance with Texas Commission on Environmental Quality requirements (4) embankment of locally generated excavation materials, or (5) local, city, county, state, federal or other governing entity requirement.

In view of the major emphasis placed by Declarants and the ACC on landscaping, such ACC expressly reserves the right to require the landscape and irrigation plans to include the planting of trees by Owner, if, in the opinion of such ACC such trees are necessary to preserve the general landscaping goals and criteria for the Subdivision as a whole. No more than ten percent (10%) in area of the front yard area of any Lot, excluding driveways and sidewalks, may be covered by rock material other than vegetation, except for such sidewalks and driveways as have been approved by the ACC.

Preservation of natural vegetation is preferred and strongly encouraged wherever possible, especially on the hill side and behind a Dwelling. Introduced plant material shall be used to shade and cool, direct wind movements, enhance architectural features, relate structure design to the site, visually screen non-compatible uses, and ameliorate the impact of noise. All landscaping plant material shall be selected from a plant material list approved by the ACC. Landscaping and irrigation systems shall be fully installed and operable as per approved final plans for front, rear and side setback areas as well as any private open space areas visible from adjacent streets prior to the issuance of a Certificate of Occupancy.

Any areas proposed to be left as natural landscaped areas must be specifically approved in writing by the ACC. ACC, at its discretion, may require Owner to clear underbrush and/or trim the trees in the natural landscape areas if they are visible from the front of the home. The ACC shall have the right to impose reasonable landscaping and irrigation requirements consistent with the requirements of this Declaration and Umbrella Declaration.

ARTICLE XXXIV. SUBDIVISION OR COMBINATION OF LOTS

No further subdivision of platted Lots in the Subdivision shall be permitted. An Owner may, however, combine or integrate two adjoining Lots into one Dwelling and landscaped area at the time either of said Lots is first improved, provided that such combination is approved in advance in writing by the ACC. If the additional lot(s) are re-platted into one lot, landscaped and made part of the Dwelling, all lots will be combined into one lot and will be treated as one lot for purposes of voting or any allocation of assessments (regular or special). If the additional lot(s) are left platted as separate lots, such combination of Lots shall be treated for such purposes of voting or of any allocation of assessments (regular and special) as separate Lots.

ARTICLE XXXV. WINDOW TREATMENT

No aluminum foil, reflective film, paper, mini blinds, or similar treatment shall be placed on windows or glass doors at any time. If any window treatment is installed on windows visible from the street, it shall be equipped with interior wood shutters, blinds with natural tone, or other presentable window treatment. No bars or obstructions intended for use as burglar bars may be placed on the exterior of a Dwelling, including, but limited to windows and doors unless approved by the ACC.

ARTICLE XXXVI. VISUAL ACCESS AT INTERSECTIONS

To allow for adequate sight distance at all street and alley intersections within the Subdivision, no structures, walls, or vegetation that could restrict a "visual access corridor", defined herein as an area between two feet and six feet above the ground, shall be permitted. This corridor is defined by a triangle created at a street corner by the intersection of property line projections and points twenty-five feet back from said intersection. Visual access shall also be provided for the driver of a vehicle backing out of an individual Lot onto an adjacent alley in a manner approved by the ACC.

ARTICLE XXXVII. PRIVATE STREETS

The streets in the Subdivision are private and will be conveyed to the Association in accordance with Article III.

ARTICLE XXXVIII. THE DOMINION PLANNED UNIT DEVELOPMENT

All Lots are hereby made subject to the terms and provisions of the Umbrella Declaration of Covenants, Conditions, Easements and Restrictions for The Dominion Planned Unit Development, filed for record under Volume 2956, Page 61, et seq. of the Official Public Records of Bexar County, Texas. The Umbrella Declaration governs the use of the Lots and Improvements constructed thereon. Reference is made to the Umbrella Declaration for a more particular description of the rights and obligations contained therein. Each Lot is required to pay assessments to the Association in accordance with the Umbrella Declaration. All Lots are also subject to the terms and provisions of the Dominion HOA Community Manuel, as amended from time to time.

ARTICLE XXXIX. WAIVERS AND LACHES

The obligation to abide by the provisions contained in this instrument shall be deemed to be of a continuing and continual basis. Each and every day, in which an Owner allows a condition to exist on his or her property which is not in compliance with the requirements contained herein, shall constitute a separate and individual violation hereof and shall give rise to a new cause of action for such breach. The intended effect and express purpose of this provision shall be that every Owner, by accepting title to the Lot, hereby waives the affirmative defenses of the Statute of Limitations, Waiver, and Laches with respect to covenant violations. Non-compliant conditions shall be allowed to exist on a Lot only upon

the Owner obtaining a written variance in accordance with the applicable provisions herein or in the Umbrella Declaration. Failure of the Declarants, the Association, the ACC, or any Owner to enforce the terms of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XL. TERM

The foregoing covenants are made and adopted to run with the land and shall be binding upon Declarants and their successors and assigns and all persons claiming under them, and all subsequent Owners of said above described Lots located within the Subdivision for a term beginning on the date this Declaration is recorded and continuing through and including January 1, 2060, after which time said covenants shall be extended automatically for successive periods of ten (10) years each, unless an instrument signed by the then Owners of legal title to seventy percent (70%) of the property subject to the Umbrella Declaration has been recorded agreeing to change said covenants in whole or in part, or to revoke them, provided that no person, corporation or other entity shall be liable for breach of these covenants and restrictions except in respect to breaches occurring or committed during its, his or their ownership of the Lots located within the Subdivision. Deeds of conveyance of said property, or any part thereof, may contain the above restrictive covenants by reference to this document; but whether or not such reference is made, each and all such restrictive covenants shall be valid and binding upon respective parties.

ARTICLE XLI. ENFORCEMENT

If the parties hereto, or their heirs, successors, lessees or assigns, shall violate or attempt to violate any of the covenants herein contained, it shall be lawful for any person or persons owning a Lot situated in the Subdivision, or the Declarants, or their assigns, or the Association, without requirement of joinder of the other, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants, and either (1) prevent him or them from so doing, (2) recover damages for such violations, and (3) to recover court costs and reasonable attorney's fees. Each Declarant, for itself, its successors or assigns, reserves the right to enforce these protective covenants, though it may have previously sold and conveyed all subdivided Lots in the Subdivision. Neither the Declarants nor the Association shall ever be under any obligation to enforce the terms of this Declaration, and any failure to do enforce shall never give rise to any liability whatsoever on the part of the Declarants, Declarants' successors or assigns, the Association, or the Board. The reservation by Declarants of this right of enforcement shall not create a duty or obligation of any kind to enforce same, and Declarants shall not be subjected to any claim, demand, or cause of action from any Owner by virtue of not enforcing any restriction herein contained. Further, if the Board determines that the service of an attorney and/or collection agent are appropriate for use in seeking compliance, but suit is not brought, the Association shall be entitled to recover from the member violating this Declaration the reasonable costs of services of any attorney and/or collection agent, relating to the violation. The foregoing provision for recovery of costs, expenses and attorney's fees shall be deemed to have been agreed to by the owner(s) of any Lot covered hereby by acceptance of conveyance of other transfer of title to such Lot.

ARTICLE XLII. INVALIDATION

The invalidation of any one of these covenants by judgment of court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

ARTICLE XLIII. NON-JUDICIAL FORECLOSURE

To secure the payment of assessments and to ensure compliance with the applicable covenants, conditions, restrictions, and easements set forth herein, each Owner, upon acceptance of his or her deed to a Lot governed by this Declaration conveys the Lot to the Trustee hereinafter named, in trust for so long as these covenants, conditions, restrictions and easements shall remain in effect, such conveyance operating as a Special Deed of Trust. If an Owner fails to tender payment of assessments when due, or if an Owner fails to perform any of the obligations under or maintain any condition required by this Declaration, the Association may perform those obligations, advance whatever funds may be required, and then be reimbursed by the Owner on demand for any sums so advanced or incurred, the cost of any obligations so performed, including attorney's fees, plus interest on those sums from the dates of payment at the highest legal rate. The sum to be reimbursed shall be secured by this Special Deed of Trust.

If the Owner fails on demand to reimburse the Association for the sums advanced or for the assessments owed, and such failure continues after the Association gives the Owner notice of the failure and the time within which it must be cured, as may be required by law or by written agreement, then the Association, as the Beneficiary of this Special Deed of Trust may:

1. Request the Trustee appointed herein, or his/her successor, to foreclose the liens created herein, in which case the Association shall give notice of the foreclosure sale as provided by Section 51.002 et seq. of the Texas Property Code then in effect or any successor statute thereto; and
2. Purchase the Lot at any foreclosure sale by offering the highest bid and have the bid credited to the reimbursement or satisfaction of the outstanding indebtedness owed to the Association.

If requested by the Association to foreclose this lien, the Trustee shall:

- a) Either personally or by agent give notice of the foreclosure sale as required by Section 51.002 et seq. of the Texas Property Code then in effect or any successor statute thereto; and
- b) Sell and convey the Lot to the highest bidder for cash with a special warranty binding the Owner, subject to prior liens and to other exceptions to conveyance and warranty; and
- c) From the proceeds of the sale, pay, in this order: (i) expenses of foreclosure, including a commission to trustee of 5% of the successful bid; (ii) to the Association, the full amount advanced, attorney's fees, and other charges due and unpaid; (iii) any amounts required by law to be paid before payment to the Owner; and (iv) to the Owner any remaining balance.

3. Robert D. Burton, Attorney at Law, is appointed Trustee for the purpose of enforcing covenants, conditions and restrictions imposed by this Declaration, and for the collecting of maintenance assessments. The Association, as Beneficiary, may appoint in writing a substitute or successor trustee, succeeding to all rights and responsibilities of the Trustee appointed herein.

4. From and after any such foreclosure, the occupants of such Lot shall be required to pay a reasonable rent for the use of such Lot and such occupancy shall constitute a tenancy-at-sufferance. The purchaser at such foreclosure shall be entitled to the appointment of a receiver to collect such rents and further shall be entitled to sue for recovery of possession of such Lot by forcible detainer without further notice.

5. It is the intent of the provisions of this Section to comply with the provisions of Texas Property Code Section 51.002, relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 hereafter, which amendment is applicable hereto, the President of the Association, acting without joinder of any Owner or mortgagee of any Owner, may, by amendment to this Declaration filed in the office of the County Clerk of Bexar County, Texas amend the provisions hereof so as to comply with said amendments to Section 51.002.

6. Any liens created by this Article XLIII shall be superior to all other liens and charges against any Lot covered hereby except only for tax liens and all liens securing sums secured by a first-priority mortgage or deed of trust lien of record, securing in either instance sums borrowed for the acquisition or improvement of the Lot in question.

ARTICLE XLIV. ASSESSMENT BY AWARD OR JUDICIAL DECREE

In the event arbitration or litigation is necessary to enforce any provision contained within this Declaration, all awards granted by the arbitrator, or damages, penalties, fees, costs, and/or any other charges awarded in the Decree to the Association shall also constitute an assessment, payable by the Owner(s) of the Lot, which shall likewise "run with the land". Failure to pay assessments imposed under this Section shall constitute an event that may give rise to the remedies provided in Article XLIII herein.

ARTICLE XLV. PRIOR LIENS

It is specifically provided that a violation of these protective covenants, or any one or more of them, shall be enforceable by the provisions herein and any provisions contained in the Umbrella Declaration of Covenants, Conditions, Easements and Restrictions, as recorded and/or amended; and, in the event that the Association expends any funds for the enforcement of these provisions, that all such sums, including, but not limited to, the cost of collection, reasonable attorney's fees, and court costs, will thereupon become a continuing lien and charge on the property of the violator and shall be a covenant running with the land. The aforesaid lien shall be superior to all other liens and charges against the property, except only for tax liens and all liens securing sums unpaid on a first lien mortgage or first deed of trust lien of record, securing in either instance sums borrowed for the purchase or improvement of the property in question. Such power shall be entirely discretionary with the Association. To evidence the aforesaid lien, the Association shall prepare a written notice of lien setting forth the amount of the unpaid indebtedness and the name of the Owner of the

property. Such notice shall be signed by one of the officers of the Association and shall be recorded in the office of the County Clerk for Bexar County, Texas. Such lien for payment of sums shall attach with the priority above set forth from the date that such payment becomes delinquent and may be enforced by the foreclosure of the defaulting Owner's property by the Association in like manner as a mortgage on real property subsequent to the recording of a notice of lien as provided above, or the Association may institute suit against the Owner personally obligated to pay the assessment and/or the foreclosure of the aforesaid lien judicially, it being understood that the election of any one remedy shall not constitute a waiver of any other remedies. In any foreclosure proceeding, whether judicial or non-judicial, the Owner shall be required to pay the costs, expenses, and attorney's fees incurred. The Association shall have the power to bid on the property at foreclosure or other legal sale, and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. The Association also expressly reserves the right to post the names of any delinquent members at a highly visible location within the Subdivision.

ARTICLE XLVI. RESERVATION OF RIGHTS

The Declarants shall have and reserve the right at any time, and from time to time, to amend this Declaration, by an instrument in writing duly signed, acknowledged, and filed for record for the purpose of correcting any typographical or grammatical error, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration, and shall not materially impair or affect the vested property or other rights of any Owner or his mortgagee. However, any amendment proposed by the Declarants pursuant to this Article shall require the joinder or consent of the Association, acting through a majority of the Board, which approval shall not be unreasonably withheld. The Association may specifically waive its joinder by a written, recorded instrument. No other joinder or approval shall be required.

ARTICLE XLVII. AMENDMENT

At any time the Owners of the legal title to seventy percent (70%) of the Lots within the Subdivision, with the joinder and approval of the Board, may amend this Declaration by filing an instrument containing such amendment in the office of the County Clerk of Bexar County, Texas; except that, prior to the conveyance of the last Lot on the property to a third party buyer, no such amendment shall be valid or effective without the written joinder and approval of the Declarants and the Association, unless Declarants and Association specifically waive this requirement by a written recorded instrument, which approval shall not be unreasonably withheld. Declarants is expressly permitted to amend the restrictions and covenants set forth herein with the joinder of the Association prior to the sale of any Lot to a third party. No amendment to this Declaration will purport to withdraw the Subdivision or any Lot from the Umbrella Declaration or the jurisdiction of the Association without the advance written approval of the Association, acting through a majority of the Board.

ARTICLE XLVIII. NOTICE

Whenever written notice to an Owner (or Owners) is permitted or required hereunder, such shall be given by the mailing of such to the Owner at the address of such Owner appearing on the records of the Association, unless such Owner has given written notice to the

Association of a different address, in which event, such notice shall be sent to the Owner at the address so designated. In such event, such notice shall conclusively be deemed to have been given by the Association by placing same in the United States mail, properly addressed, whether received by the addressee or not.

ARTICLE XLIX. TITLE

The titles, headings and captions which have been used throughout this Declaration are for convenience only and are not to be used in construing this Declaration or any part hereof.

ARTICLE L. INTERPRETATION

If this Declaration or any word, clause, sentence, paragraph, or other part thereof shall be susceptible of more than one or conflicting interpretations, then the interpretation that is most nearly in accordance with the general purposes and objectives of this Declaration shall govern.

ARTICLE LI. OMISSIONS

If any punctuation, word, clause, sentence, or provision necessary to give meaning, validity, or effect to any other word, clause, sentence, or provision appearing in this Declaration shall be omitted herefrom, then it is hereby declared that such omission was unintentional and that the omitted punctuation, word, clause, sentence, or provision shall be supplied by reference.

ARTICLE LII. GENDER AND GRAMMAR

The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the necessary grammatical changes required to make the provisions herein apply either to corporations or individuals, males, or females, shall in all cases be assumed as though in each case fully expressed.

ARTICLE LIII. BUILDING CODES

All Dwellings shall be constructed to conform to the then current building codes and ordinances adopted by the City of San Antonio, Texas.

ARTICLE LIV. FIREARMS, PROJECTIONS AND WEAPONS

The discharge of any firearms, including BB guns and pellet guns, within the Subdivision or adjacent lands owned in whole or in part by either Declarants or located within The Dominion Planned Unit Development is strictly prohibited and each Owner shall ensure that his guests and family members do not violate such prohibition. Additionally, use of any bow and arrow, slingshot, or other launching or catapulting device is prohibited.

ARTICLE LV. SIDEWALKS

Each Owner of the Lot or Dwelling agrees to construct a sidewalk, at such Owner's sole cost and expense, which will meet standards established by ACC, if the same shall be required by any applicable government authority. As of the date of execution herein, sidewalks are not required in the Subdivision.

ARTICLE LVI. SUBMITTALS TO DECLARANTS

In addition to the Architectural Control Committee requirements in the Umbrella Declaration which are incorporated herein by reference, including but not limited to, the obtaining of prior approval of the ACC for preliminary design submittals and for final design submittals (i.e. final plans and specifications) for such Improvements as set forth in Article V of the Umbrella Declaration, every Owner shall be required to provide the Declarants for the Subdivision in which such Owner's Lot is located with copies of preliminary design submittals and final design submittals for approval by such Declarants that the improvements proposed thereon are of good architectural design, quality and proper size compatible with such Declarants' conceptual plan for the subdivision, prior to such items being submitted to the Committee. Such Declarants may disapprove the construction or design of a home on purely aesthetic grounds where, in their judgment, such disapproval is required to protect the continuity of design or values of the neighborhood and of the other homeowners or to preserve the serenity and natural beauty of the surroundings.
